We finally reached 1 million customers. We would like to thank all of our partners for making this possible. This victory would not have been possible without your daily work. Keep up the good work!

Christmas giving

📍 Lagos

While many people love Christmas, we know that children are especially fond of this holiday. This is why we joined our partner and video analyst Akabogu Chukwuebuka Nicholas in donating various goods and supplies to an orphanage in Lagos.

We firmly believe that no child should ever feel alone or neglected, but especially not on Christmas. This is why we would like to encourage you to learn about charities near you and find ways to help, if you can.
